Annual graduation exercises for the Liberty Baptist Church Nursery School was held May 23 at 6:30 p.m. Those graduating were, back row, left to right, Donnie Simpson, Casey Clabough, Jennifer Foltz, Brian Little, Scott Little, David Ranson, Becca Carter, Brian Trimyer, David Wilbur and Cristy Smith; and on front row, left to right, Alison Lawson, Katie Powell, Bret Wilbun, Melinda Wilson, Mary Burger, David Evans and Ron Gregory.

"We Know Our Stuff"

The Liberty Baptist Church Nursery School had their annual graduation exercises Wednesday, May 23, 1979 at 6:30 p.m. The children, clad in white caps and gowns, marched in to the music of Largo. Assisted by their teacher, Mrs. Maurine Harrison and their assistant teacher, Mrs. Linda Wooldridge, the children presented a program entitled, "We Know Our Stuff." The children counted to 25, named all their colors and shapes, the four seasons, recited rhymes and sang several songs. Having proved they "Knew their Stuff well" each child was presented with the Bachelor of Rhymes Degree diploma by their teacher, Mrs. Harrison.

Proud parents, grandparents, relatives, and friends were served refreshments after the program by the church nursery school committee. Mr. Perry McCraw, Mrs. Carolyn Coleman, Mrs. Linda Youngblood, and Mrs. Betsy Carter.

It was indeed an exciting night nineteen very proud little graduates have had a really big year in nursery school. Field trips have included trips to Appomattox Animal Hospital, Appomattox Primary School, Babcock Manor (once for an Easter Egg Hunt provides by folks at the Manor), Spout Spring Nursing Home (to do a program for the patients and take fruit), the Dairy Queen, Wilbun Supermarket, the Appomattox Fire Station, the Appomattox H.S. Nature Trail (saw mother pig and piglets') the H.S. gym (for tumbling and basketball) and Superior Trees Nursery and Greenhouse. The children also have taken several hikes and nature hunts at Wildwood Farm and even got to go on a hay ride. Special visitors have included puppies, kittens, a parakeet, a pet rabbit, a turtle and a frog. We also had visits from Smokey the Bear and Santa Claus.

Our little graduates have also learned a lot about cooking by making vegetable stew, chocolate pudding, oatmeal cookies, peanut butter cookies, crambled eggs, popcorn and bunny rabbit sandwiches (peanut butter, grated carrots and raisin spread).

Each child got to celebrate his or her birthday with a party at school. We also had special parties provided by our mothers on holidays.

Our nice town park also provided our children with many happy hours of outdoor play.

Classroom activities included all types of artwork, readiness work books, filmstrips, storybooks, puzzles, playdough dress-up play, building blocks, tinker toys, and creative play with trucks and dolls.

It has indeed been a rewarding and challenging year for children, parents and teachers.

ROCKS

June 11 - Farmers have started plowing tobacco out. It will soon be time to start on the wheat cutting.

A number attended the Friendship Circle meeting on Tuesday afternoon.

Mrs. Gladys Anderson of Richmond spent last week with Mr. and Mrs. W. R. Moore.

GOOD NEWS FOR HOMEMAKERS

By Shirley W. Walton
Extension Agent

LADDER SAFETY

With warm weather here our thoughts turn to cleaning, repairing and insulation projects many of which require the use of a ladder. Every year, 30,000 - 40,000 Americans are injured by falling from ladders. Your ladder can be a great convenience and a help or it can be a vehicle for a fall and disaster.

Advice from safety engineers is to use a ladder that is long enough for the purpose. Many ladder related accidents are the result of using a ladder that it too short. This results in the user standing in a position where he has limited stability, a big problem when using a step ladder.

Will you be doing roof repairs, cleaning rain gutters, repairing or installing an antenna? If so, an extension or straight ladder should extend at least three feet above the eaves, gutter or roof line. The worker should practice the "four-in-one" rule: the base of the ladder should be placed one foot from the wall for every four feet of ladder height. In other words, a sixteen foot ladder with its top placed against a vertical wall should be positioned so that the base is four feet from the wall.

Two basic steps should be taken before you climb a ladder:

(1) Make sure the ladder is placed on a firm, level surface.

(2) Inspect the ladder for structual damage or deterioration.

When using a step ladder, it is essential that the spreader is locked before you begin your climb, otherwise your ladder could fold with you on it and throw you onto the ground.

If you are using any type of metal ladder, remember to keep it away from overhead power lines and other electrical installations.

Do not over-extend your reach once you are on the ladder. Take the time to move the ladder close to the work. The extra time taken could save you pain and broken bones, lost time income, and bills.

Please be careful when using your ladder - remember a ladder is a very convenient and helpful item, but it also can be a dangerous item.

Should you need help on a homemaking question or problem, you may call 352-8244 or write P.O. Box 488, Appomattox, Va. 24522.

Homemakers, let me remind you that we have a variety of excellent materials on food preservation in the extension office. You may call us or write us and we shall be happy to mail you at no cost these materials.

Have a good week, homemakers!

RECIPE OF THE WEEK
Jane's Apple Nut Loaf

¼ cup shortening
⅔ cup sugar
2 eggs
2 cups all purpose flour
1 teaspoon baking powder
1 teaspoon baking soda
1 teaspoon salt
1 teaspoon vanilla
½ teaspoon nutmeg
2 cups grated apples
½ cup chopped walnuts

Preheat oven to 350 degrees. Cream shortening, sugar, eggs and vanilla, until light and fluffy. In a large bowl, mix together flour, baking powder, soda, salt, cinnamon and nutmeg. Add to creamed mixture, alternating with apples and nuts. Turn into greased loaf pan. Bake for 1 hour.

Thanks to Jane Guill for sharing this blue ribbon nut loaf with us. Jane has won a blue ribbon in the Senior District Contest and will be doing this demonstration in Blacksburg on June 19, 1979.

Family Resources Conference August 1 - 3

Topics such as "A Threat To Our Society: Cults" will be part of the program for the annual Family Resources Conference, Wednesday to Friday, August 1-3, at Virginia Tech's Donaldson Brown Center for Continuing Education.

The conference will bring together about 450 persons from across the state to discuss topics relevant to family life, said Jane Janey, Virginia Tech Extension specialist in family resources and conference coordinator.

Other topics at the conference's learning sessions will be "Please Hear What I'm Not Saying and Respond To Me"; Food Additives: Bane or Blessing"; "About Husbands and Wives"; "Retire? Never!" "When I Say No, I Feel Guilty"; "Beat the Clock"; and "Fads, Myths, Quacks" and Your Health.

Special guest speakers will highlight the program during the three days.

The conference is jointly sponsored by the Virginia Tech Extension Division and the Virginia Extension Homemakers Council. It is planned by representatives from many state organizations including the Virginia Citizens Consumer Council; the Virginia Federation of Women's Clubs, Virginia Division for Children; Virginia Federation of Women's Clubs, Virginia Council on Health and Medical Care; Virginia Association of Women Highway Safety Leaders, Inc.; Farmers Home Administration; American Cancer Society; American Association of University Women; and Virginia Farm Bureau Women's Committee.

The conference is the occasion for the annual meeting of the Virginia Extension Homemakers Council which also will hold its awards and recognition ceremony during the event.

For further information, contact Miss Lonnette Marsh or Mrs. Shirley W. Walton at the Appomattox County Extension Office, 352-8244 or write P.O. Box 488, Appomattox, Va. 24522.

Marcella Dawn Lively

RECEIVES DEGREE FROM LYNCHBURG COLLEGE

Miss Marcella Dawn Lively, daughter of Mr. and Mrs. Frank S. Lively of Route 1, Concord, was among 319 persons receiving degrees from Lynchburg College on May 12, 1979.

Marcella received a Bachelor of Science degree in Medical Technology. During the graduation ceremonies she was recognized as a member of Cardinal Key, an honorary sorority. While at Lynchburg College she was involved in Chi Beta Phi Science Fraternity, serving as vice-president in her senior year. She was also a member of the Society of Physics Students, served as peer counselor, and resident assistant, and a student assistant in the Graduate Office.

She has accepted a position in the laboratory of Lynchburg General - Marshall Lodge Hospital.

Judy Johnson

Judy Johnson Receives Bachelor of Science Degree

Miss Judy Lynn Johnson of Appomattox, Virginia, recently received the Bachelor of Science degree from Tennessee Temple University in Chattanooga, Tennessee.

Miss Johnson was one of 418 students to receive a diploma from Dr. Lee Roberson, founder and chancellor of the Baptist institution.

Miss Johnson is the daughter of Mr. and Mrs. Aubrey F. Johnson of Appomattox, and is a graduate of Appomattox County High School. She is also a former member of the Bible Baptist Church in that town.

Lung Assoc. Locates in Lynchburg

Mrs. Gaynelle Olsen, R.N., president of the Central Region of the Virginia Lung Association (VLA), announced today that the VLA regional office formerly located in Farmville will now be situated in the Allied Arts Building, Eighth and Church Streets in Lynchburg.

Mrs. Olsen went on to say that a new program director, Steven F. Griffee, has been appointed to serve in the area. Mr. Griffee is a Lynchburg resident and received his bachelor of science degree in biology from Virginia Polytechnic Institute and State University.

"We have studied regional needs for the prevention and control of lung diseases," Mrs. Olsen said, "and believe firmly that the new location of our office will make it possible to provide more and better services to our citizens.

"Our hope is that people will call on us when they need information or help concerning lung diseases, including emphysema, asthama, chronic bronchitis, or tuberculosis.

We will be happy to assist in any way possible."

Mrs. Olsen also announced the appointment of Douglas Barringer, editor of the Altavista Journal, as a volunteer public relations representative for the VLA Central Region.

Anyone needing information or assistance may call or come by the regional office in Lynchburg at Eighth and Church Streets. The telephone number is 846-1829.

Kristi Godsey Graduates

Kristi L. Godsey of Appomattox was among the 28 students of the Class of 1979 who graduated Sunday, June 10, from Lynchburg General-Marshall Lodge Hospitals' School of Professional Nursing. The ceremony was held at Fairview Christian Church, Lynchburg.

Delegate Joan S. Jones, Commonwealth of Virginia, House of Delegates, Eleventh District, was the guest speaker for the graduating exercises. Hospital executive vice president Raymond E. Hogan, assisted by Patricia J. Ussoy, assistant director, School of Nursing, awarded the diplomas and awards. Dorothy D. Marshall, director of nursing education at the hospital, presented the school pins.

Following the exercises, a reception was held in the church social hall for the graduates, their families and friends.
